Time Since Shock

Ordinary noise (no-whale band, ±0.09)
ρΔ = 0.05: median max error 0.29, 60% of time above band
ρΔ = 0.10: median max error 0.28, 63% of time above band
ρΔ = 0.15: median max error 0.22, 59% of time above band
Expected value (ρΔ)
Median maximum error (right edge)
